## EXPERIENCE

### **The Dibraco Agency - Internship**

Cary, NC - 2021  
Analyze and type SEO content for various webpages. In exchange for my work, I am taught about Web Development & Design.

### **Brand Ascent Media - Social Media Content Creator**

Raleigh, NC - 2020  
This job allowed me to utilized what I was learning at SNHU and my boss was extremely pleased&impressed. Too bad I had to be laid off due to Covid.

### **Mary and Mak - Sales Associate/Key Holder**

Wake Forest, NC - 2016  
This boutique allowed me to uncover hidden talents. While at work, I managed the company's instagram page. I made multiple posts during each shift. I created the contact for all my posts and excelled at doing so. I kept up with online orders, packaged new orders, made & printed shipping labels, and then mailed them off. I engaged with clients in person and online. I worked my shifts alone, so I was trusted with making decisions and executing all duties.

**Prior to Mary & Mak, I had two long-term retail jobs in fashion. Fashion played a huge role in my decision to go back to school for Graphic Design.  
I knew that field would be the perfect fit for me.**

Art and Design has always come naturally to me. It all started when I was a little girl and has continued to keep growing with age.

Before SNHU, I was an artist across many platforms. Attending school at SNHU strengthened my talents and allowed me to learn wonderful new skills in graphic design, web design, and much more.

Working in the Graphic Design field reassured me that working in this field of study is what I want and is what I am good at.

I look forward to the future.

I couldn't be more excited to show and share my skills!
